The ancient tale of Odysseus’ epic 10-year journey home from the Trojan War has much to tell us about the challenges of homecoming. *The Odyssey* reveals timeless and universal truths about trauma, duty and honor, personal sacrifice, life at home, and readjustment. Veterans, current service members, family members, and close personal friends of veterans are invited to attend this 10-week reading and discussion group co-led by a veteran, clinician, and literature facilitator. The program is uses a model developed by Professor Roberta Stewart of Dartmouth College. Free copies of the book will be provided at the first session.
